FOR THE TRAIL LESS TRAVELED®

OVIS
OUTFITTERS

In the month of August, one lucky life member will venture into the *Arctic National Wildlife Refuge* with Ovis Outfitters on a 10 day, one-on-one, backpack style hunt. This remote and untouched wilderness is the perfect setting for stalking monster rams in the Brooks Range. Caribou, wolf and fishing are available as add-ons. Hunters are expected to be in good physical shape.
